AZ 5214 Phase-Out Notification

Dear valued customer,

Merck is committed to continuous improvement in delivering products of the highest performance and quality. As part of this commitment we are continuously reviewing product lines and processes. At times, it may lead to the decision to phase out certain products from our offerings.

Therefore, we'd like to inform you that AZ 5214E produced in Wiesbaden will be phased out **by the end of 2021**. And we are able to offer an alternative product as a replacement, AZ 5214-E which is produced in Japan.
